The USNA has suffered two deaths recently that have left many broken hearts. The Reichard family, who have lost three precious ones in the span of one month. And also those who are grieving the death of relationships. So many grieving ones Lord, need You!! Need Your peace~~Your HOPE!!

Prayers of peace for my girlhood friend, Beverlee Reynolds who seems to be in the final stage of cancer. I pray that she feels an extra measure of God's presence at this time ~ and also all who love her, and will so miss her in this world, will also sense that You are with us, Father. Perhaps, like never before. Please give David and me strength beyond measure these hectic days in our "retail" world. Wisdom to use our time and resources wisely. And please cause my heart behave, Lord. No more wayward little journeys that makes it hard to breathe.
